

# Year 1 Homework

## Week Beginning: 13th May

Name: \_\_\_\_\_

### Literacy Homework

For your literacy homework this week I would like you to focus on practicing your sounds and playing on Phonics Play and reading the real and nonsense words.

### Phonic Screening Test

With only 3 school weeks left until the Phonics Screening Test please practice reading the real and fake words provided and practice the sounds on the laminated sheet provided. If the children can recognise all of the sounds on the sheet this will help them decode and blend unfamiliar words.

### Phonics Play

This is a fantastic website to practice reading fake and real words. The children use this website in school and it really helps with their reading. Below is the website:

## Maths

**Mental maths:**

Please practice halving numbers up to 20 and doubling numbers up to double 10. If your child finds doubling easy then try to double numbers up to double 15.
