13th JUNE 2025

A sincere thank you to the parents who have been in touch regarding the recent spate of anti-social behaviour in the town and around Egremont Castle. This week, I met with members of the Friends of Egremont Castle and offered our support. If anyone witnesses any incidents or has photos/videos of anti-social behaviour and needs help identifying those involved, please do send them to me. I will pass the information on to the relevant authorities and also contact parents where appropriate. I visited the castle myself this week and saw some of the damage first-hand. It's incredibly disheartening to see such a historic space being mistreated. However, with everyone working together—reporting concerns and helping to identify those responsible—we can hopefully bring about some positive change. As always, thank you for your continued support.

ARTS WEEK

Next week is our Arts Festival Week. Over the week, all children will be involved in creating their own artwork.

We would like to invite parents to come in to school and look at the artwork produced on Friday 20th June at 3pm till 3.40pm with your children. Please can parents collect their children as normal and then we will open the doors to allow parents in to walk around each classroom.

SPORTS DAY

A huge thank you to the children who took part in Sports Day this week! It was a wonderful event filled with energy, smiles, and lots of fun for all involved.

Congratulations to the **Blue Team** in the Juniors and the **Green Team** in the Infants for their fantastic victories!

Thank you to the parents—your encouragement meant a lot. The children performed brilliantly, showing great teamwork, determination, and sportsmanship.

I would also like to thank our staff for all their help in organising and running the day so smoothly. We couldn't have asked for better weather, and the children clearly had a fantastic time.

We're already looking forward to next year!
