THE MAGIC OF A GLUE STICK

Want to make your child's teacher beam with joy? Forget expensive gifts or elaborate gestures—just send in a glue stick. Yes, you heard right. A humble, simple glue stick. In schools, glue sticks disappear faster than socks in a dryer. One moment they're there, the next? Dried up, lost, or mysteriously "borrowed" by another class.

Schools always face a glue stick crisis at this point in the year. If you've ever wanted to be a hero, now's your chance. A donation of just one glue stick could bring a teacher to happy tears.

So, if you'd like to bring a little joy to your class teachers, consider sending in a glue stick. It's a small gesture that will stick with us!!
