

NEWSLETTER 25TH OCTOBER 2024

NASAL FLU VACCINATIONS

The NHS team will be visiting school on **Wednesday 6th November 2024**. We recently sent out letters reminding parents to register their consent. If you do not want your child vaccinated, you need to follow the same instruction and decline.

POPPY CRAFT

As we approach Remembrance Day, we would love for families to join us in a special half-term craft project. We'd love it if you could craft poppies that can be attached to sticks, allowing them to be easily pushed into the ground around our soldiers' silhouette on the school field. These poppies will be a beautiful tribute on the 11th of November. Below, you'll find an example of how to make one, but feel free to get creative and make it in your own way! Feel free to make more than one! Please bring your creations to school by the 8th of November. Thank you for your support!

CURRICULUM IN ACTION

Remembrance Day Poppy

You will need:

- A large, empty drinks bottle
- Paintbrush
- Scissors
- Red acrylic paint
- Red tissue paper or glitter (optional)
- Masking tape
- White glue
- Black permanent pen or black acrylic paint

Safety

Cutting into plastic bottles can be difficult and must be done with care. Children should work closely with an adult so they receive the appropriate supervision and help as to not cause injury. Once cut, the edges of the bottle may be sharp and must be handled with care until covered with either masking tape or tissue paper.

Instructions

1. Carefully, cut the bottom of the drinks bottle off. You may need an adult to do this for you.
2. Keep the base but recycle the top part.
3. Cover all the edges with masking tape so that there aren't any sharp edges exposed.
4. Paint the inside of the base using the red acrylic paint. Completely cover the inside.
5. Leave to dry. Once dry, draw a black circle in the centre of the inside of the base. This is the center of the poppy.
6. Finally, if you choose to, add white glue around the edges of the poppy and cover with glitter or red tissue paper.
